SAVE A COMBINED \$1400+ WITH VOLUMA & KYBELLA

Lift with 2 syringes of Voluma for \$1600 and receive 2 syringes of Kybella FREE. (\$3000 Value)

Voluma adds volume lost to aging in the cheek area and helps enhance cheek contour to create a more youthful profile lasting up to 2 years. (Reg. \$900 per syringe)

Kybella is an injectable treatment that melts away excess fat that causes double chins, bra bulge, upper back rolls, inner knee and underarm fat. The substance is a man-made form of deoxycholic acid, a naturally occurring molecule that helps the body release fat. (Reg. \$600 per syringe)

* Offer available through March 31, 2018 while supplies last. Treatment must be scheduled before May 31, 2018. Some exclusions apply.

Thank you to all who brought in pet food last month!

We had a mountain of donations again this year! The Bakersfield Pet Food Pantry is an amazing non-profit organization that believes that by providing pet food to those in need many pets can remain in their current home instead of being turned over to shelters or abandoned.
